

POSITION: Carpenter

Must have **concrete** experience along with experience in the following:

- Follow blueprints and building plans to meet the needs of clients
- Install structures and fixtures, such as windows and molding
- Measure, cut, or shape wood, plastic, and other materials
- Construct building frameworks, including walls, floors, and doorframes
- Help erect, level, and install building framework with the aid of rigging hardware and cranes
- Inspect and replace damaged framework or other structures and fixtures
- Instruct and direct laborers and other construction helpers

Carpenters are one of the most versatile construction occupations, with workers usually doing many different tasks. For example, some carpenters insulate office buildings; others install drywall or kitchen cabinets in homes. Those who help construct tall buildings or bridges often install the wooden concrete forms for cement footings or pillars. Some carpenters erect shoring and scaffolding for buildings.

Carpenters use many different hand and power tools to cut and shape wood, plastic, fiberglass, or drywall. They commonly use hand tools, including squares, levels, and chisels, as well as many power tools, such as sanders, **circular saws**, nail guns, and welding machines. Carpenters fasten materials together with nails, screws, staples, and adhesives, and do a final check of their work to ensure accuracy. They use a tape measure on nearly every project because proper measuring increases productivity, reduces waste, and ensures that the pieces being cut are the proper size.

All perspective employees must be able to perform to the Personnel Policies and Guidelines as stated in the current WHH Nisqually Federal Services Construction Division Employee Manual dated 8/1/11, and are required to take a mandatory drug and alcohol test prior to employment. All employees will receive a new hire package and will have to provide personal information for payroll and taxes, along with establishing a direct deposit account.

Please send all resumes or questions to the Nisqually/Puyallup TERO offices or Megan Peterson (Human Resources Manager for WHH Nisqually Federal Services) at m.peterson@nbed.co.
